

## Oregon Program Evaluators Network

### MEMBER DIRECTORY August 2006

The OPEN Council is pleased to provide this Directory as a benefit to OPEN members. The following list (in alphabetical order by last name) contains contact information for OPEN regular and full-time student members whose 2006 dues were current as of 8/13/06, and who indicated on their member application that they would like to have their information published on the OPEN website. If you have a question about your membership status or payment history, please contact Judy Redder, OPEN Financial Officer, at [judy@pdx.edu](mailto:judy@pdx.edu).

If you wish to make changes to the information we have recorded for you as an OPEN member, please go to our website: [www.oregoneval.org](http://www.oregoneval.org). Click on "Join OPEN", then on "Update Profile", and follow the instructions given. Please note that you will be asked for a password; if you do not have one, or have forgotten your password, just click where indicated, and a password will be sent to you via email within minutes. If you have difficulty updating your profile, please contact Elizabeth Bamberger, Member Services Committee Chair, at [ejbamberger@aol.com](mailto:ejbamberger@aol.com). Also note that this will update your profile in our membership files; however, it will not update your information on the website Member Directory directly; instead any changes you submit by updating your member profile will be reflected in the next update of the Directory. The Member Services Committee plans to update the Member Directory periodically (approximately October, February, and June), as time and resources permit.

*NOTE: This directory is intended for networking among members of the evaluation community. Please do not use it for the purpose of advertising, etc. If you are interested in sending information to our members, please contact Tamara Perkins, OPEN Secretary, at [tperkins@naranorthwest.org](mailto:tperkins@naranorthwest.org) for approval and assistance. Thank you for your cooperation!*

---
